Hello Everyone,

On behalf of Laura Williams and David Ostrander, I'm sending a request for Region 3's assistance with the Gold King Mine response. Specifically, we would like OSC Mike Towle to deploy to Silverton to assist OSC Steve Way with stabilization of the Gold King Mine site. I understand Mr. Towle had to check some other commitments so please let us know at your earlier convenience if he will be available.

Thank you so much for your assistance with this matter.

Regards, Gina
